## Library Programs 586-758-8274

[www.centerline.gov/library/programs](http://www.centerline.gov/library/programs)

The Center Line Library offers a wide variety of programs for all ages each week. Visit our website or Facebook page for the calendar and more details. Here are a few highlights:

### Michigan's C. Harold Wills (Michigan History Lecture) June 5 at 7 PM

Lecture on Alan Naldrett's recently published book, Michigan's C. Harold Wills: The Genius Behind the Model T and the Wills Sainte Claire Automobile. The presentation tells the Early Days of the Ford Motor Co. Through the eyes of Ford's "right hand man", C. Harold Wills.

### Paying for College Part One June 20 at 6 PM Part Two June 27 at 6 PM

Learn about scholarships, financial aid and other tips regarding paying for college. Hosted by MSU Extension's Robert Weber. Geared towards high schoolers and college students and their parents or legal guardians.

### Intro to Percussion Instruments June 23 at 5:30 PM

Phil Kaput brings his percussion music program to the Center Line Public Library. Participants will: Learn about different styles of music. Gain a basic understanding of rhythm, tempo and time keeping. How to play unique rhythms along with live sound tracks. Check out materials from the Library about music, percussion, music terms and careers in music education!

### Our Island Jewel: Detroit's Belle Isle Park July 10 at 7 PM

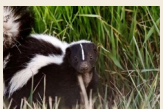

Often called the crowning jewel of Detroit's Riverfront, Belle Isle has a long and storied history. The park has hosted world class sporting events, musical performances and family parties. It has also witnessed massacre, riot and military incursion. But for a few twists of fate, this beloved island might have been a much different place.

### Slime! (TechKNOWKids Program with Miss Cathy Foster) July 18 at 6 PM

Children will complete STEM challenges and science experiments related to the creation slime. Appropriate for elementary and middle schoolers.

### The Secret Lives of Skunks (Nature on the GO!) July 24 at 7 PM

Through a visual, PowerPoint presentation, this adult-minded lecture will focus on fun facts about this misunderstood mammal: where they live, how they survive and ideas for minimizing conflict with humans. A quick look at the domestication of skunks will be included prior to observing a LIVE skunk as part of this informative, one-hour program.

## WATER QUALITY REPORT

You can find the printed report in the Summer-Fall Insider available in June 2018, also available at the Library, Rec, or City Hall, or online at <http://www.centerline.gov/public-works/water-quality-report>.
